Sir,

Sub:-FORESTS - Leases - South Kanara Division - Madibare R.F. Coupes I and IV - 1950-51 - unworked portions - Extension of time to Contractor - Granted.

Ref:-Government Memo.No.37385 CII/51-2 Development dated 18-4-51.

Government in their Memo.cited have granted an extension of time for two months to Sri Panduranga Shenoy, Forest Contractor from the date of receipt of orders from the District Forest Officer for completing the work in Madibare Reserved Forest Coupe I and IV on payment of an extension fee of Rs.200/- (Rupees Two Hundred only).

2. The orders granting the extension was served on the Contractor on 25-5-51. The contractor has submitted a petition representing that as the rainy season has commenced, coolies would not turn up for work from June to November, and further no one can enter the forest for working on account of existence of leaches during rainy season. Therefore he requests that permission be granted to him to work the coupes during December 51 and January 52 after payment of the extension fee.

3. The District Forest Officer and the Conservator have recommended th

grant of the contractor's request. I request that in the circumstances explained, the Government Memo. cited be please modified permitting the contractor to work the coupes for a period of two months from 1-12-51 on payment of the extension fee of Rs.200/- (Rupees Two Hundred only).
